Description description

3. Your iOS device will now try to locate your Exchange Server. If necessary, you will need to enter your front-end Exchange Server's complete address in the **Server** field.
4. Choose which content you would like to synchronize: Mail, Contacts, and Calendars. Tap **Save** when finished.

Note: To modify your exchange settings, Tap **Settings > Mail, Contacts, Calendars**, select your Exchange account, and tap **Account Info**.
